Vanese Arch

Criminal Justice - Pathology

"Education is the most powerful weapon which you can use to change the world".

-Nelson Mandela

Vanese Arch was born and raised in San Antonio. An outgoing and adventurous youth, she loves to meet new people and hear their ideas. While attending Judson High School, she was a part of the Criminal Justice Explorers Club. Participating in the Criminal Justice Club helped her develop leadership and people skills.

Vanese attends San Antonio College and is pursuing an Associate of Arts in criminal justice. She is a member of The National Society of Leadership and Success and currently holds an executive board position as the Succession Networking Team Coordinator at SAC.

Vanese will be graduating in May 2020 with a major in forensic pathology. She plans on transferring to Texas State University to earn a bachelor's degree and aspires to become a Forensic Pathologist. She believes helping others in their time of need is paramount and is confident her work in the field of forensic pathology will help rebuild communities.
