

SAN ANTONIO COLLEGE

2020 DISTINGUISHED GRADUATES

Dominique Collins

American Sign Language – Deaf Support Specialist

“If you can’t fly then run, if you can’t run then walk, if you can’t walk then crawl, but whatever you do you have to keep moving forward.”

-Martin Luther King, Jr.

Dominique Collins graduated from high school in 2007 in Belleville, Illinois. She knew it was time for a change in 2013 and relocated to San Antonio for better opportunities. Upon her enrollment at San Antonio College in 2016, Dominique was unsure of a major. When she found out about SAC’s American Sign Language Interpreter Training Program, she registered for courses.

During her time at SAC, Dominique benefitted from opportunities afforded to her through the ASL Program. Her accomplishments include repeated mentions on the president’s and dean’s list and receiving the 2018-2019 ASL Rea and Barbara Hinrichs Scholarship. She is an active member of the ASL Honor Society, ASL Connection Club, and Phi Theta Kappa. Dominique is extremely grateful for all professors and staff in the ASL program, who collectively contributed to her success.

Dominique graduates in Spring 2020 with an associate of applied science as a deaf support specialist. After graduation, she plans to continue her education in deaf studies and ASL Interpreting.
