“All the great things are simple, and many can be expressed in a single word: freedom, justice, honor, duty, mercy, hope.”

-Winston Churchill

Anthony Hollis was born in Apple Valley, California, and raised in Bandera, Texas. After graduating from Bandera High school in 2008, he honorably served four years in the United States Air Force. He then attended the San Antonio Chapter of Independent Electrical Contractors, a local electrical trade school, and received on the job training with companies in San Antonio and Corpus Christi.

Anthony, who is happily married and father to a handsome 2-year-old, did some careful soul searching and decided to work towards a fulfilling career that would provide social mobility for his family. He is following his passion for entrepreneurship, working towards his dreams of owning a small business, and obtaining his certified public accountant's license. Due to graduate in May 2020 with an Associate of Arts in business administration from San Antonio College, he will transfer to University of Texas – San Antonio in Spring 2021 to pursue his Bachelor of Arts in business administration with a focus in accounting.

During his time at SAC, Anthony was the treasurer for Student Government Association, treasurer and fundraising chair for the National Society of Leadership and Success, and an active member of the Phi Theta Kappa – Beta Nu Honor Society.
