“Every kid is one caring adult away from being a success story.”

-Josh Shipp

“The best teachers are those who show you where to look but don't tell you what to see”

-Trenfor

Lois Michelle Raley began attending San Antonio College in 2005 and encountered many personal and professional setbacks. In 2011, she was able to enroll in an early childhood program where she fell in love with helping children grow as learners. Lois is now completing her associate degree. A familiar name on the Dean's List, she plans to transfer to Texas A&M-San Antonio to earn a bachelor's degree with a focus on early childhood development and earn a Texas teaching certification. She aspires to teach preschoolers in the public-school system so she can support the most at-risk students as they learn social and academic skills.
