“I didn’t get there by wishing for it or hoping for it, but by working for it.”

-Estee Lauder

Joanda Gonzalez Zuniga is married to her high school sweetheart of 32 years. They have four children and ten grandchildren.

Before, during, and after her husband's active duty service in the US Army, Joanda ran a licensed in-home childcare program for 21 years.

Upon her husband's medical military retirement, she retired as well. Joanda enrolled at San Antonio College in July of 2018 to learn the skills necessary to elevate her new crafting hobby. Ten months later, she completed her CERT1 in Communication Design, and seven months after her AAS in Communication Design in December of 2019. She is a proud member of Phi Theta Kappa Honor Society Beta Nu Chapter and The National Society of Leadership and Success and Sigma Alpha Pi at SAC.

In her spare time, Joanda enjoys family BBQs or cheering her grandchildren on at sporting events.

Joanda will graduate in May 2020 from SAC, showing her children and grandchildren by example that it is never too late to complete one's goals.

She plans to transfer to a university for her bachelor's degree. Her goal is to earn her master's degree before her eldest grandchild graduates high school.
