SAN ANTONIO COLLEGE

Jorge Luis Cruz

Information Assurance and Cybersecurity

“The secret of change is to focus all of your energy, not on fighting the old, but on building the new.”

-Socrates

Jorge Luis Cruz is a Texas native with roots in Oaxaca, Mexico and Spain. He is an ambitious person who values hard-work instilled by his parents. Jorge’s goal is to learn something new every day whether it be about history, botany, or engineering. He overcomes adversity and welcomes any challenge. He is passionate about making a positive impact in the lives of whomever he encounters.

Jorge is a first-generation college student pursuing a career in STEM. He has built a new foundation by earning an education at San Antonio College and aims to continue building on this foundation until he is a leader in the STEM field. Jorge will graduate in the Spring 2021 and will continue his education at Texas A&M University-San Antonio. Jorge will break the statistical boundaries placed on him by society. He plans to enroll in a graduate program and upon completion, will help other ambitious individuals reach their goals.
