

2021 DISTINGUISHED GRADUATES

SAN ANTONIO COLLEGE

Bethany Jones

Funeral Directing

“Success only comes to those who dare to attempt.”

-Mallika Tripathi

Bethany Jones is originally from Camp Pendleton, California, and relocated to San Antonio. She graduated from William J. Brennan High School in 2013. Right out of high school, she continued on to Northwest Vista College and received an associate degree in psychology in 2015. Afterward, Bethany decided to attend Texas A&M - San Antonio to earn a bachelor's in psychology, with a minor in criminology in 2018. Continuing her education has been a huge part of her life, which is how she ended up attending San Antonio College in the Mortuary Science Program in Fall 2019.

She is very excited to finish her last semester at SAC and looks forward to graduating in May of 2021. Her future goals are to begin her career in the funeral industry and continue to expand her knowledge in the field. Bethany would eventually like to earn a master's degree and potentially a doctorate. Her ultimate wish is to move to Washington state to become involved with the ever-developing green funeral movement.

Bethany would like to thank all of the professors in the mortuary science program for everything they have done for her to lead her to graduation. She would also like to thank her parents, Susan and Wayne Jones, who have supported her from the beginning, and who have always pushed her to conquer her fears and reach for her dreams.
