CRIMINAL JUSTICE

*“Success is not the key to happiness.
Happiness is the key to success.”*

- Albert Schweitzer

Isabell Garcia has always been devoted to pursuing a career in law. She would like to aid individuals to the best of her ability by becoming a lawyer to ensure justice is given to those who feel they do not have a voice, are seeking fairness, or feel helpless in a time of need. She attends San Antonio College and is pursuing an associate of arts in criminal justice.

Isabell is involved in many leadership organizations on campus. She is the historian for the Student Government Association, secretary and treasurer for the National Society of Leadership and Success and is a student ambassador. Participating in these organizations has helped her gain leadership skills and develop a voice to advocate for others.

Isabell will be graduating in May 2022 and plans to transfer to Texas A&M San Antonio to earn her bachelor's degree in sociology before entering law school. She believes that much injustice has happened in our society and plans to help the justice system improve.
