2022

Nancy Garcia

FUNERAL DIRECTING LEVEL II CERTIFICATE

“For I know the plans I have for you,” says the Lord. “They are plans for good and not for disaster, to give you a future and a hope.”

- Jeremiah 29:11

Despite all of the uncertainty and obstacles that 2020 presented, Nancy Garcia made a decision to change her life and fulfill her dream of becoming a mortician. Originally from the Rio Grande Valley, she seized her opportunity and moved to San Antonio to pursue her degree in the Mortuary Science program at San Antonio College.

She exceeded her own expectations academically by challenging herself every semester and accomplishing what she set out to do. Her efforts provided her with the most rewarding experience of her life. She applied herself diligently and learned all she could about the funeral service industry. Now, because of her education, she will help grieving families during their most difficult times.

Nancy couldn't have asked for a better support system; she was motivated by faith and driven by passion to help her succeed. She credits San Antonio College with providing her with the opportunity to become the best version of herself and she is ready to give that back to the community.
