**LIBERAL ARTS**

*“When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left, and could say, ‘I used everything you gave me.’”*

- Erma Bombeck

Adina Ichilov was born in Orlando, Florida, and has since lived in a number of other states. Entering her sophomore year, Adina’s family moved to San Antonio, where she attended Brooks Collegiate Academy and graduated as the inaugural valedictorian. Adina enjoys photography, spending time with her family and friends, and traveling to new places.

Adina held a number of internships during high school and college in business administration, gaining critical entry-level experience for her future career. Over the last two summers Adina has had the opportunity to complete two corporate internships at H-E-B, which provided her invaluable experience to complement her academic business portfolio.

Adina has completed the requirements for an associate degree in liberal arts, while also completing elective courses toward a bachelor’s degree at the McCombs School of Business at the University of Texas Austin. Upon graduation Adina hopes to live abroad for a year to gain new experiences and new insights while also continuing to explore her love for diversity and different cultures.
