**COMMUNICATION DESIGN LEVEL 1 CERTIFICATE**

*“When things get hard, stop for a while and look back and see how far you’ve come. Don’t forget how rewarding it is. You are the most beautiful flower, more than anyone else in this world.”*

**– Kim Taehyung**

Xaven Kosub was born in San Antonio Texas. She attended La Vernia High School where she explored her love of art, graduating in 2018 with art awards.

Her interests are creating traditional art pieces, reading and pop culture, and being the best aunt, she can be. She values her family, God, and being a good influence.

Xaven decided to go down the path of communication design because she felt she could combine her love of creativity and art to the world while challenging her uniqueness to shine through when presented a situation that requires critical thinking. Originally starting out as an art major she changed her path to something that made her desires seem more in reach.

Xaven was on the President’s List in fall 2020 and fall 2021.

She hopes not only to make her family proud but importantly herself. She plans to also pursue a career where she can be content and challenged while attaining goals in her life. She will continue to work hard and broaden her horizons while keeping true to herself, even through rough times.
