For and during the term of this Agreement, ACD shall manage and operate the Schools in accordance with Applicable Law. "Applicable Law" means all state and federal laws, rules, regulations, and administrative and judicial determinations and decisions that govern the performance of this Agreement, as they currently exist or as they may be adopted, amended, or issued during the term of this Agreement.

#### 1. The Schools

a) The District authorizes ACD to manage and operate the Partnership Schools, as independent campuses subject to transparent accountability requirements, which are set by TEC Chapters 39 and 39A and the provisions of this Agreement. ACD must successfully meet and maintain the Performance Contract objectives for the Partnership Schools as set forth in this Agreement and as governed by SAISD Board Policy EL(LOCAL). Further authorizations will be contingent upon ACD successfully meeting and maintaining the Performance Contract objectives for the Partnership Schools. Future authorization of additional schools is also dependent upon the results of an annual audited ACD financial and compliance report. ACD and SAISD are committed to gathering working data at the Partnership Schools and collaboratively developing more specific metrics as data is gathered throughout the Term of this Agreement. The District shall have final authority on the development of all performance contract metrics and consequences for the Partnership Schools, which are described in Section 10 and attached as Exhibit A.

- b) In addition to the autonomies and authorities defined in Section 3 below, ACD's primary responsibilities for this partnership will include the following:

### 2. <u>Enrollment</u>

a) Choice Schools and Programs include in-district charters, magnets, and early college high schools. The Partnership Schools will be designated as Choice Schools. As Choice Schools, the Partnership Schools will follow district policies and administrative procedures for the enrollment and withdrawal of all students, including, but not limited to, policies FD(LOCAL) and FDB(LOCAL) and administrative procedures F1 and F51. Staff from the Office of Access and Enrollment Services will meet annually with the campus principals and ACD staff to review admissions criteria and establish the number of seats available for enrollment in each grade level.

- c) The Parties agree and understand that the District may not assign a student to a School unless the student's parent or guardian has voluntarily enrolled the student at the School. A student's parent or guardian may remove the student from the School at any time and enroll the student at the school to which the student would ordinarily be assigned.
- d) ACD will participate in the District's unified enrollment system.
- e) The District's Office of Access and Enrollment Services will include the Partnership Schools' brand and the Partnership Schools' information on any student recruitment or enrollment marketing materials and will invite the Partnership Schools to attend any student recruitment events, such as in-district charter fairs, as part of the administrative fee.
- f) The District, in coordination with ACD, will lead the student recruitment and enrollment process through a lottery (if there are more applicants than there are seats at the Partnership Schools) and enrollment phases. Partnership School Staff will support District efforts by canvassing, holding open houses, attending District recruiting events and community meetings, mailing acceptance and waitlist letters and making calls to families to help with enrollment decisions, sending follow-up letters to admitted students, conducting on-campus enrollment meetings, calling waitlisted students, and monitoring attendance during the opening weeks of school in case additional students need to be called from the waitlist.
- g) In addition to the enrollment restrictions required by TEC §11.174(h) and (i) and District Policy FDB(LOCAL) and Administrative Procedure F1 and F51, the following student enrollment provisions, subject to the provisions of state law and as may be revised by the Parties as necessary to meet the federal definition of a charter school, shall be followed by the Parties:
  - i. ACD will work with the District to ensure preferences for current students attending the campuses in the school year before its conversion under this Agreement.
  - ii. Students in lower grade levels at the Partnership Schools will receive automatic admission to the next grade level.
  - iii. As seats become available at the Partnership Schools, enrollment will be open to all students within the State of Texas, subject to the priority rules described in state law, FDB(LOCAL), Administrative Procedure F51, and this Agreement.
  - iv. The Partnership Schools' students will be allowed to transfer to any of the District's schools when seats are available and in accordance with the Parties' respective transfer policies and administrative procedures for Choice Schools and Programs.
- h) ACD is prohibited from discriminatory admission or expulsion of a student on the basis of a student's national origin, ethnicity, race, religion, disability, academic achievement, or sex, including sexual orientation or gender identity.

- v. ACD and the Partnership Schools' staff will work with the District in helping the District remain in compliance with the IDEA's Child Find and FAPE obligations. ACD and the Partnership Schools may choose to utilize the District's services and supports in the provision of student services other than related services referenced above and in Section 12.a.3 where ACD and the Partnership Schools' staff deems that District provision of those services and supports are appropriate and best for students, and such arrangement will be provided with District funding.
- vi. ACD will have the initial, final, and sole authority, at its discretion, to procure federal grants and federal Title funds for use at the Partnership Schools, subject to applicable federal and state law and implementing regulations. To the extent that any federal or state grant funds, differential funding, High Cost Funds ("HCF") or State Compensatory Education Funds exists for any special student(s) or populations it will be passed through to the Partnership Schools for use at the Partnership Schools.
- d) ACD shall adopt the District's FO Series (LOCAL and LEGAL) policies, as amended, and related District administrative procedures, regarding student discipline, including the District's Student Code of Conduct, for the Partnership Schools. However, if the TEA does not approve a material autonomy listed above in Section 3 or elsewhere in this Agreement, the Parties agree to reform those portions of the Agreement in good faith and ACD reserves the right to terminate the Agreement without penalty should that disapproval put the goals and intentions of this Agreement at risk, as determined by ACD.

    - a. 1/3 of SB 1882 Funds will go to the Schools for their operation and management and to pay for the cost of any non-formula staff and expenses at the Schools, if applicable; and
    - b. 1/3 of SB 1882 Funds will be paid to ACD to fund all of ACD's dual credit costs at the Partnership Schools; and
    - c. 1/3 of SB 1882 Funds will be paid to ACD in the form of a Management Fee, which is further defined in Section 9 below.
  - 3) Federal grants including Title grants, IDEA-B, National School Lunch Program, National School Breakfast and other federal and state child nutrition funds, and Charter Startup or Replication Funding available to the District.
  - 4) State, Federal, and Private funding to support the District-Charter partnership including TEC §11.174.
  - 5) State, Federal, and Private block grants obtained by the District to be distributed to its students.
  - 6) Local district funds.
- Both Parties acknowledge and agree that the goal of this Agreement is to focus all efforts, money, assistance and aid to the Partnership Schools students and site-based staff (i.e. teachers; principal; teaching interns; etc.). Average Daily Attendance as defined by state law ("ADA") of the Partnership Schools shall be factored into the amount of SB 1882 Funds provided to the Partnership Schools.
- m) References to "fiscal year" in this Agreement means the annual period beginning July 1 and ending June

- n) ACD shall maintain a collaborative and working relationship with the District's Financial Services Department.
- o) Within 120 days after the end of the District's fiscal year, the District shall provide ACD with a written report detailing all Partnership School funds received by the District and the expenditure of those funds as contemplated by this Agreement.
- p) There shall be no requirement that ACD make cash expenditures of its own funds as distinguished from Partnership School funds under this Agreement, other than the costs of employment of the referenced full-time employee to oversee the Partnership Schools and except as may be explicitly stated in this Agreement.

### 9. <u>Management Fee</u>

- a) As compensation for its services hereunder, ACD shall receive a management fee (the "Management Fee") in an amount equal to 1/3 of the SB 1882 Funds actually received by the District. The District's obligation to pay the Management Fee shall be contingent upon the District's receipt of SB 1882 Funds. In the event that the District secures additional funds (e.g., grant funds) to compensate ACD for its services under this Agreement, such additional funds will offset and reduce the amount of SB 1882 Funds paid to ACD, provided that the overall amount of funds paid to ACD by the District on an annual basis will be no less than 1/3 of SB 1882 Funds received by the District. If the amount of SB 1882 Funds paid to ACD is reduced due to the availability of additional funds, the corresponding amount of SB 1882 Funds that is not paid to ACD will be redirected to the Schools. The Management Fee will be paid to ACD annually, pursuant to a schedule mutually agreed upon by the Parties. The projected SB 1882 Funds and Management Fee for the first year of the partnership is described in Exhibit B.
- b) If the Texas Legislature repeals or defunds Senate Bill 1882 or changes the amount of SB 1882 Funds awarded to the District on a per pupil basis, either Party may request a revision to the Management Fee. In such case, both Parties shall negotiate in good faith the terms of the Management Fee. If the Parties cannot mutually agree on a revised Management Fee within sixty days of the request for a revision, either Party shall have the right to terminate this contract.

### 10. <u>Performance Contract Metrics and Annual Financial Audit</u>

- a) The Superintendent of Schools of the District or his designee shall develop a charter School Performance Framework ("SPF") by which the Partnership Schools will be evaluated in consultation with ACD. The SPF will inform District decisions related to campus replacement, restart, or closure.
- b) ACD and the Partnership Schools will be subject to SAISD board policy EL(LOCAL), which describes school performance, performance contracts, and the process for charter renewal, probation and revocation. Performance objectives may include, but not be limited to student proficiency, academic growth, and college readiness. Additional objectives as well as a timeline may be developed for charters established at campuses that do not meet state accountability standards.
- c) The School Performance Framework shall inform the development and execution of tentative performance contracts for all Partnership Schools at the time a Partnership School is authorized by the Board of Trustees and incorporated into this Agreement. For any Partnership School that is a new startup school, the Superintendent or designee shall hold a conference with ACD staff and the School principal in the fall of year two of the School's operation to establish performance baselines and set three- or five-year student achievement targets aligned to the state accountability standards and the District's School Performance Framework. The tentative performance contract metrics shall then be finalized, approved

by the Board of Trustees, and attached to this Agreement. If any existing District school becomes a Partnership School subject to this Agreement, the Superintendent or designee shall hold a conference with ACD staff and the School principal in the fall of year one of the School's operation to establish performance baselines and set three- or five-year student achievement targets aligned to the state accountability standards and the District's School Performance Framework. The tentative performance contract metrics shall then be finalized, approved by the Board of Trustees, and attached to this Agreement. Board decisions related to campus charter renewal, probation, or revocation shall be based on the School Performance Framework and this Agreement.

- d) The Superintendent or designee will monitor, evaluate, and publish campus performance annually, the results of which will determine whether the charter will be placed on probation, revoked, and/or renewed on a three or five-year cycle by the Board of Trustees.
- e) The Partnership Schools' Performance Metrics are detailed in **Exhibit A** to this Agreement. Any future changes to performance metrics will expressly require ACD's agreement. ACD agrees to negotiate any changes to the performance contract metrics in good faith. The Partnership Schools will only be held to such performance metrics to the extent that the District holds its own schools to the metrics. If the District does not enforce the State's accountability ratings framework for District schools, it will forfeit the right to enforce the state accountability ratings framework against the Partnership Schools.
- f) As required by 19 TAC 97.1075(d)(3) and SAISD Policy EL(LOCAL), ACD will complete an annual, independent financial report of ACD meeting the expectations outlined in 19 TAC 109.23 (relating to School District Independent Audits and Agreed-Upon Procedures) and submit the resulting audited annual financial report, including an unqualified audit opinion, to the District within 150 days after the close of ACD's fiscal year. The first audit will commence after completion of the 2021 fiscal year. The District may terminate this agreement prior to the expiration date in the event that ACD receives a qualified audit opinion and fails to remedy any material underlying basis for the qualified audit opinion including, but not limited to, material errors within the audit, within 60 working days. ACD will also submit a draft version of its audit report to the District within 120 days after the close of the District's fiscal year.
- g) In accordance with SAISD Policy EL(LOCAL), the Board may place on probation or revoke the charter of a Partnership School if the School:
  - i. Violates a provision of applicable state or federal law, which may result, after a cure period, in revocation of the School's charter at the conclusion of the school year;
  - ii. Fails to meet the metrics set forth in the performance contract for the School's charter after a three- or five-year review period;
  - iii. At the end of two school years, is rated as "improvement required" or fails to meet state accountability standards or is at the bottom five percent in comparison to all campuses in terms of student achievement in the District based on the school performance framework; or
  - iv. Fails to meet generally accepted accounting standards for fiscal management.

### 11. Facilities

- a) The District shall be responsible for all custodial and maintenance services for the Partnership Schools. The District will complete capital improvements for facilities owned by the District.
- b) ACD will be granted specific District campus access for the purpose of operating the Schools at the agreedupon District campus.

- c) The District will provide the following to the Partnership Schools: facility repair and maintenance, security equipment (cameras, door card readers, etc.) and technology infrastructure at a level reasonably designed to meet the Partnership Schools' technology requirements (Internet, phone, overhead projectors, etc.). The District will also pay property insurance costs for District facilities (see Finance and District Services sections of the Agreement) and ACD will be a named additional insured on all such insurance policies, or any program of self-insurance, reinsurance policies, or risk pool participation that covers losses of or damages to real property and structures owned by the District. The District is not responsible for insuring any personal property owned by ACD or the Partnership Schools.
- d) By April 1 of each school year, ACD shall have access to any school buildings proposed to be utilized by Partnership Schools for the following school year. The District will make any required repairs, as determined by ACD and the District, before ACD takes possession of the school.
- e) The District will give ACD access to records in the District's possession on the condition of the facility and maintenance and any capital improvements completed at the facility.
- f) The District shall be responsible for ensuring the Partnership Schools maintain E-Occupancy from the City of San Antonio, are suitable and fit for school use, and satisfy applicable ADA accessibility requirements and any mandated school security requirements.

#### 12. <u>District Services</u>

- a) The District will provide the following services at no cost to the Partnership Schools:
  - i. Child Nutrition Program and Food Services as a pass-through. The District will remain the Contracting Entity and School Food Authority for all purposes and ACD will have no liability or responsibility for compliance with federal or state Child Nutrition guidelines or legal requirements. ACD will maintain a collaborative and working relationship with the District's Food and Child Nutrition Services division.
  - ii. Disciplinary Alternative Education Programs (DAEP), in the event that such programs should be necessary.
  - iii. Related services for special education, Section 504, dyslexia, dysgraphia, hearing, vision, orientation and mobility, assistive technology, adaptive equipment, speech, psychology, orientation and mobility, reading, adaptive physical education, and occupational and physical therapy.   - iv. Technology infrastructure and maintenance services at the Schools. ACD will maintain a collaborative and working relationship with the District's Technology and Management Information Systems division.
  - v. Software licenses as required.
- b) If the parties mutually agree to modify the services provided by the District, either at no cost to ACD or as a modification to the administrative support fee, the parties must revise this Agreement accordingly.

### 13. <u>Best Practices</u>

a) ACD will participate in any in-district charter school or Innovation Zone advisory council or regularly occurring meeting established or called by the District.

b) A key goal of this Agreement will be to share best practices so that ACD and the District learn from each other in the pursuit of improved educational outcomes and to close the achievement gap. Both Parties will share academic and operational data on a regular basis and work collaboratively in a spirit of continuous improvement.

### 14. <u>Representations; Warranties and Covenants</u>

Each of the Parties represents, warrants and covenants to the other Party that:

- i. it has all the requisite power and authority necessary to execute and deliver this Agreement and to perform its respective obligations hereunder (subject to TEA approval);
- ii. it agrees to conduct its business in compliance with all applicable local, state, federal laws and regulations, and this Agreement.

#### 15. Trademarks; School Materials; Ownership and Use; New Intellectual Property

- a) Intellectual Property. Each of the Parties shall retain ownership of the intellectual property it owned prior to the Effective Date of this Agreement, including without limitation all trademarks, service marks, logo marks, trade dress, domain names, works of authorship, copyrightable works, computer programs, software, databases, trade secrets, know-how, proprietary data, documents, and written materials in any format. Any materials created exclusively by the District for the Schools shall be owned by the District, and any materials created exclusively by ACD for the Partnership Schools shall be owned by ACD. The Parties acknowledge and agree that neither has any intellectual property interest or claims in the other Party's proprietary materials. Notwithstanding the foregoing, materials and work product jointly created by the Parties shall be jointly owned by the Parties and may be used by the individual Party as may be agreed upon by both Parties from time to time.
- b) <u>Licensed Trademarks</u>. During the term of this Agreement, ACD retains all rights to its trademarks, service marks, proprietary slogans and logos (such trademarks, service marks, slogans and logos, collectively, the "<u>Licensed Trademarks</u>"), but will grant to the Partnership Schools a non-exclusive license to use the Licensed Trademarks, including use on school-related clothing and materials, in connection with School Services. As used herein, "<u>School Services</u>" means the furnishing of educational and related services to students and operating the Schools.
- c) <u>School Materials</u>. During the term of this Agreement, ACD grants to the Partnership Schools a non-exclusive license to use ACD's proprietary curriculum materials, including scope, sequence, standards, donows, PBL units, exit tickets, exams, assessments, progress reports and other materials ("<u>Licensed Curriculum Materials</u>"). For the avoidance of doubt, the Parties acknowledge and agree that all instructional materials purchased or developed by the District for use by the Partnership Schools ("<u>Instructional Materials</u>"), and all furnishings and equipment of the Partnership Schools, other than those provided by ACD), are the sole property of the District and that such Instructional Materials shall not constitute Licensed Curriculum Materials.

### d) Quality Control

i. To protect and preserve the strength of the Licensed Trademarks and the associated goodwill, the nature and the quality of the services provided by the Partnership Schools under the Licensed Trademarks and the Partnership Schools' use of the Licensed Trademarks shall conform to the standards of quality maintained by other district schools utilizing Licensed Trademarks. Without limiting the foregoing, the Partnership Schools shall use the Licensed Trademarks only in the form and manner and with appropriate legends as prescribed from time to time by ACD and will not

- use any other trademark or service mark in combination with the Licensed Trademarks without prior written approval of ACD.
- ii. The Partnership Schools shall use the Licensed Curriculum Materials in connection with curricular systems and educational programs provided and supported by ACD that shall equal or exceed the standard of quality of Choice Schools utilizing Licensed Trademarks.
- iii. ACD shall assist the Partnership Schools if necessary and as reasonably requested, in maintaining the quality standards set out in clauses i and ii above.
- e) Intellectual Property Ownership. The District acknowledges that it will not obtain any ownership interest in the Licensed Trademarks or Licensed Curriculum Materials, regardless of how long this Agreement remains in effect and regardless of any reason or lack of reason for the termination thereof. The District shall not knowingly dilute or disparage the Licensed Trademarks. The District agrees that any and all goodwill associated with the use by the Partnership Schools of the Licensed Trademarks shall inure to the sole benefit of ACD. The District further agrees that any and all intellectual property rights in any improvements or modifications to the curriculum materials or in any new curriculum materials and related materials or content which are created, or provided to the Partnership Schools, by or on behalf of the Partnership Schools during the term of this Agreement (collectively, "New Curriculum Materials") will also be owned by ACD, but ACD hereby grants to the Partnership Schools a non-exclusive license to use the New Curriculum Materials in connection with the School Services during the term of this Agreement. Any New Curriculum Materials created by ACD or the Partnership Schools employees are not works for hire and the District shall have no property rights to any such work created or derivative work. Any and all intellectual property rights in (i) any improvements or modifications to the Licensed Curriculum Materials or New Curriculum Materials, (ii) any new curriculum materials and related materials or content, in the case of (i) or (ii) created by the Partnership Schools (including, as between ACD and the Partnership Schools, the teaching staff, supervisory and other personnel employed by the School) during the term of this Agreement; (iii) any Instructional Materials (collectively, the Partnership Schools') will be owned by the Partnership Schools but the District hereby grants to the Partnership Schools, subject to any limitations on its ownership rights in Instructional Materials, a non-exclusive, perpetual royalty-free license to use the Partnership Schools' Intellectual Property in connection with School Services provided by ACD to the Partnership Schools under its management whether during or after the term of this Agreement; provided however, that nothing shall obligate the Partnership Schools to update or support the Partnership Schools' Intellectual Property following the termination of this Agreement. ACD shall only use the Partnership Schools' Intellectual Property in connection with School Services provided by ACD to the Partnership Schools under its management in a manner that is consistent with Applicable Law, including data privacy laws.
- f) Use of Intellectual Property Following Termination. Upon the end of this Agreement, the Partnership Schools and the District shall cease any further use of the Licensed Trademarks, Licensed Curriculum Materials, and New Curriculum Materials including any improvements or modifications to the Licensed Curriculum Materials or New Curriculum Materials. Notwithstanding the foregoing, should the Partnership Schools be unable, despite diligent efforts on its part, to obtain and substitute other curriculum materials to replace some or all of the Licensed Curriculum Materials or New Curriculum Materials in sufficient time for the next school term commencing after the end of the Agreement, then the Partnership Schools may continue to use those portions of the curriculum materials and New Curriculum Materials which it was unable to replace for a maximum of one school year following expiration or termination of this Agreement, it being understood that (i) ACD shall provide no updates or other support for such materials, (ii) the Partnership Schools shall, to the extent practical, remove any Licensed Trademarks or other marks identifying such materials as part of the Partnership Schools' curricular program, and (iii) the Partnership Schools shall cease use of such materials as soon as practical but in no event later than the end of the school year immediately following the end of this Agreement.

### 16. Term & Termination

- a) This Agreement shall commence on July 1, 2020 and end on June 30, 2025 (the "<u>Initial Term</u>"), unless terminated pursuant to its terms.
- b) The District may only terminate this Agreement, as described below, after a vote of the full board with an opportunity for notice and comment and appropriate due process, as described below. Any termination by the District may only be approved by a 70% vote of the full Board, which means 5 affirmative votes out of 7 board members.
- c) The District may terminate this Agreement prior to the expiration date if two or more Partnership Schools:
  - i. Fail to meet generally accepted accounting standards for fiscal management, following written notice from the District and a 60-day opportunity to cure;
  - ii. Fail to meet the metrics set forth in those Schools' performance contracts after a three- or fiveyear review period;
  - iii. Are rated as "improvement required" or otherwise fail to meet state accountability standards after their second school year in operation; or
  - iv. Are in the bottom five percent in comparison to all District campuses based on the District's School Performance Framework after their second school year in operation.
- d) In accordance with 19 Texas Administrative Code section 97.1075(d)(5), due process will be afforded ACD as follows:
  - A requirement of a public hearing at least 30 days prior to any action to terminate this Partnership
    Agreement when ACD has successfully met the performance expectations and goals described in
    this agreement; and
  - ii. A requirement of a public hearing at least 30 days prior to any action to extend this Partnership Agreement when ACD has failed to successfully meet the performance expectations and goals described in this agreement.
- e) Following the Initial Term, the term of this Agreement may be extended by agreement of the Parties (as reflected in each case in a written renewal agreement) for successive ten-year periods (each a "Renewal Term").
- f) This Agreement may be terminated at any time prior to its expiration date by the Parties, with or without cause, upon mutual written consent.
- g) This Agreement may be terminated prior to its expiration date by the District if the District delivers a written notice of termination (including the reasons therefor) to ACD, in the event that (i) ACD commences any case or proceeding, or files any petition in bankruptcy, or for reorganization, liquidation or dissolution, or has been adjudicated insolvent or bankrupt, or applies to any tribunal for a receiver, intervener, conservator or trustee for itself or for any substantial part of its property, (ii) an administrative or judicial body has suspended or revoked any license which may be required for ACD to carry on its business and perform its obligations under this Agreement other than for technical paperwork violations, (iii) ACD violates any material provision of law with respect to the Partnership Schools from which the Partnership Schools were not specifically exempted, (iv) ACD is found by a court of competent jurisdiction, or other lawful authority to have made fraudulent use of the Partnership Schools' funds, (v) ACD breaches any of

the material terms and conditions of this Agreement, *provided* ACD has not cured the breach within sixty (60) District work days from receipt of a notice of breach from the District; or (vi) ACD receives a qualified audit opinion and fails to remedy any material underlying basis for the qualified audit opinion including, but not limited to, material errors within the audit, within 60 working days. The notice of termination shall be delivered at least one hundred twenty (120) days prior to the date of termination and shall be effective at the close of the school year in which such notice is issued.

- h) In the event the District terminates the Agreement for a reason outside of the defined material terms and conditions of this Agreement, not including section 19(r), then the District's termination under this paragraph can only take effect at the end of the school year following the District's Board of Trustees providing 180 days prior written notice. By way of example, if there are 179 days left in the current school year when written notice is given, the termination would not be effective until the end of the next school year. The District shall compensate ACD for all actual costs incurred by ACD related to the District's exiting the Agreement, including, but not limited to, the loss of the Management Fee for the Partnership Schools for a period of two years, the cost of leasing of a separate facility in Bexar County (if any), limited to the market value of the current leased or District provided premises, incurred by ACD for a period of two years, and any other personnel or operational costs incurred by ACD as a result of the termination. The District agrees that such compensation is not a penalty or meant to be punitive and hereby waives and agrees it will not assert any defense that this compensation is a penalty or meant to be punitive to invalidate this compensation.
- i) This Agreement may be terminated prior to its expiration date by ACD if it delivers a written notice of termination (including the reasons therefor) to the District, at least ninety (90) days prior to the intended Termination Date, in the event that (i) the District materially breaches any of the material terms and conditions of this Agreement, provided the District has not cured the breach within thirty (30) District working days from receipt of a notice of breach from ACD, (ii) the District takes any action which materially interferes with the ability of ACD or the Partnership Schools to provide services under this Agreement, (iii) the District's leadership, the Superintendent, or a majority of the School Board oppose the continuation of this Agreement or oppose the idea of a cooperative working relationship between the District and charters as provided for in this Agreement, (iv) the District, unreasonably and without proper cause, revokes any of the Partnership Schools' Charters, or (v) ACD chooses to terminate this Agreement, at its sole discretion, at the end of any school year in which any of the Partnership Schools' in-district charters are being evaluated for renewal, probation or termination, in accordance with SAISD Board Policy EL(LOCAL). Any termination by ACD pursuant to this Section shall be effective as of the end of the thencurrent school year, provided that ACD and the District shall endeavor to establish a transition plan for withdrawal of ACD and its replacement by another partner organization or internal District personnel, as determined by the Partnership Schools, within a shorter period of time to the extent practicable and in the best interests of the Partnership Schools students.
- j) Upon termination of this Agreement, whether with or without cause (other than pursuant to clauses 16(f) and (h) above), ACD shall be entitled to a prorated Management Fee for the portion of the fiscal year up to the Termination Date, computed based upon the number of days in the fiscal year up to the date of termination divided by the total number of days in the fiscal year. To the extent this Agreement is terminated as permitted, then such termination shall be without liability to any Party or to any affiliate, shareholder, trustee, director, officer or representative of such Party, and following such termination no Party shall have any liability under this Agreement or relating to the transactions contemplated by this Agreement other than in this Section; provided that no such termination shall relieve any Party from liability in respect of breaches by such Party prior to such termination.

### 17. Indemnification; Insurance

a) To the greatest extent allowed by Texas Law, the District shall indemnify and hold harmless ACD, its affiliates, subsidiaries, trustees, directors, officers, agents, servants, and employees (each, an

"Indemnitee"), from and against any and all damages, claims, liability, losses and expenses incurred by any Indemnitee in respect of, arising out of, or involving, a claim made by any third-party against any Indemnitee resulting from or arising in connection with any advice, guidance, act or omission on the part of the District, its trustees, directors, officers, directors, agents, servants or employees, whether in connection with the services or support functions to be provided under this Agreement or activities undertaken by the District on behalf of other schools, *excluding*, *however*, any liability resulting from or arising in connection with (i) actions taken by the District at the express request or direction of ACD, (ii) any advice, guidance, acts or omissions by the District premised on a misrepresentation or failure to disclose information when under an obligation to do so by the person or entity seeking indemnification, or (iii) any liability to the extent arising as a result of negligence, intentional tort, fraud or criminal conduct on the part of ACD or any of its trustees, officers, agents, or employees.

- b) If a third party claim is made against an Indemnitee, that does not include a claim for liability resulting from or arising in connection with (i) actions taken by the District at the express request or direction of ACD, (ii) any advice, guidance, acts or omissions by the District premised on a misrepresentation or failure to disclose information when under an obligation to do so by the person or entity seeking indemnification, or (iii) any liability to the extent arising as a result of negligence, intentional tort, fraud or criminal conduct on the part of ACD or any of its trustees, officers, agents or employees, then such Indemnitee shall give written notice to the District of such claim as soon as reasonably practicable after such Indemnitee has received notice thereof (provided that failure to give timely notice shall not limit the indemnification obligations of the District hereunder except to the extent that the delay in giving, or failure to give, such notice has materially prejudiced the ability of the District to defend the claim). The District shall defend such claim, at the District's own expense or through its insurance as applicable and with counsel selected by the District and reasonably satisfactory to such Indemnitee, provided that an Indemnitee shall at all times also have the right to fully participate in the defense at its own expense unless the Indemnitee and the District reasonably determine that representation of Indemnitee and the District by the same counsel would materially prejudice the interest of District or the Indemnitee; provided that the District will only be responsible under such circumstances for the expenses of a single additional counsel for all Indemnitees). If the District shall fail to commence a defense against such claim within thirty (30) days after notice thereof shall have been given by an Indemnitee to the District or if the District shall not diligently pursue such defense, such Indemnitee shall have the right, but not the obligation, to undertake the defense of, and to compromise or settle (exercising reasonable business judgment), the claim on behalf, for the account, and at the risk and expense (including the payment of reasonable attorneys' fees of such Indemnitee regardless of whether the Indemnitee prevails against the third party claim) of the District. If the District assumes the defense of such claim, the obligation of the District hereunder as to such claim shall include taking all reasonably necessary steps in the defense of such claim.
- c) The District shall not consent to the entry of any judgment or settle or compromise any third party demands, claims, actions, suits or proceedings for which an Indemnitee has sought indemnification from the District and for which Indemnitee has not been fully released unless it shall have given such Indemnitee not less than fifteen (15) days' prior written notice of the proposed consent, settlement or compromise, and afforded such Indemnitee an opportunity to consult with the District regarding the proposed consent, settlement or compromise, and shall not consent to the entry of any judgment or enter into any settlement or compromise without the approval of such Indemnitee. An Indemnitee shall not unreasonably withhold or delay its approval of a proposed consent, settlement or compromise. In determining whether to give its approval, an Indemnitee may consider whether the proposed consent, settlement or compromise includes as an unconditional term thereof the giving by the claimant to such Indemnitee of a release from all liabilities and obligations of whatever kind or nature in respect of such claim except the liabilities and obligations satisfied by the District. If the Indemnitee unreasonably withholds its approval of a proposed consent settlement or compromise, and shall not consent to the entry of any judgment or enter into any settlement or compromise that provides the Indemnitee with a release from all liabilities and obligations of whatever kind or nature in respect of such claim except the

liabilities and obligations satisfied by the District, Indemnitee shall continue its defense at its own cost and the District is not required to provide any additional amounts above the proposed consent settlement or compromise in any subsequent consent, settlement, judgment or compromise negotiated by Indemnitee.

- d) The rights to indemnification and reimbursement provided by, or granted pursuant to, this Section shall continue as to an Indemnitee who has ceased to be a trustee, director, officer, agent, servant or employee of ACD (or any other person indemnified hereunder) but only for claims based upon events that occurred while the Indemnitee was a trustee, director, officer, agent, servant or employee of ACD. The provisions of this Section shall be a contract between the District, on the one hand, and each Indemnitee who served at any time while this Section is in effect in any capacity entitling such Indemnitee to indemnification hereunder, on the other hand, pursuant to which the District and each such Indemnitee intend to be legally bound. No repeal or modification of this Section shall affect any rights or obligations with respect to any state of facts then or theretofore existing or thereafter arising or any action, suit or proceeding theretofore or thereafter brought or threatened based in whole or in part upon such state of facts.
- e) The District agrees to request from its insurance carriers that ACD be added as an additional named insured on any District held policies of insurance related to transportation or general liability. The District will provide ACD with a copy of each insurance policy, indicating ACD as an additional insured, within 10 business days of receipt of documentation from the District's insurance carriers. The District will also notify ACD of any policy change and provide ACD with updated records upon any changes in coverage.

### 18. No Waiver of Immunity

a) Nothing contained in this Agreement shall be read to waive the immunity granted by TEC, Chapter 22, Subchapter B, and TEC, Chapter 12, Subchapter C. Notwithstanding the above, the Parties acknowledge, stipulate and agree that this Agreement is a contract for goods and services subject to Chapter 271, Subchapter I of the Texas Local Government Code in that ACD is providing goods and services to the District and that the District is also providing goods and services to ACD that this Agreement is duly authorized and properly executed by both the District and ACD and that immunity is waived, to the extent set forth in Chapter 271, Subchapter I of the Texas Local Government Code, as between ACD and the District for purposes of adjudicating any future claim for breach of this contract.

b) Severability. In the event that any provision of this Agreement or the application hereof to either Party or in any circumstances shall be determined to be invalid, unlawful, or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to either Party or circumstances other than those as to which it is determined to be invalid, unlawful, or unenforceable, shall not be affected thereby, and each remaining provision of this Agreement shall continue to be valid and may be enforced to the fullest extent permitted by law.

- c) No Agency. Neither Party will be the agent of the other Party except to the extent otherwise specifically provided by this Agreement. Neither Party has the express nor implied authority to bind the other Party to any contractual duty other than what is specifically stated in this Agreement. Furthermore, both Parties shall represent to third parties and shall disclaim to such third parties, the extent of that Party's binding authority, which must be approved by the Parties' respective governing boards held in accordance with the Texas Open Meetings Act (appearing in minutes of such meeting) and as agreed to in writing by the Parties.
- d) The failure by either Party hereto to insist upon or to enforce any of its rights shall not constitute a waiver thereof, and nothing shall constitute a waiver of such Party's right to insist upon strict compliance with the provisions hereof. No delay in exercising any right, power or remedy created hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or remedy by any such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No waiver by any Party hereto to any breach of or default in any term or condition of this Agreement shall constitute a waiver of or assent to any succeeding breach of or default in the same or any other term or condition hereof.
- e) <u>No Common Control</u>. Neither Party is a division, subsidiary, affiliate, or any part of the other Party, nor has the right or authority to exercise any common control of any other Party. Nothing herein shall be construed to create a partnership or joint venture by or between the District and the OP.
- f) <u>Assurance of Independence</u>. ACD and/or the Partnership Schools' governing body shall remain independent of the District. Both ACD and the Schools' governing bodies are not and shall not be comprised of any members of the District's Board of Trustees, the District's Superintendent, or any staff member responsible for granting this Agreement.
- g) This Agreement shall not be changed, modified or amended nor shall a waiver of its terms or conditions be deemed effective except by a writing signed by the Parties hereto.
- h) The Parties hereto acknowledge that the management of the Partnership Schools by third parties is an area presenting numerous legal uncertainties and ambiguities, and that the arrangements contemplated by this Agreement are new and unique and in light of these factors agree to work together in good faith to resolve in manner consistent with the spirit and intent of the relationship created hereby, any new or unforeseen issues which arise in carrying out the terms of this Agreement.
- i) This Agreement may not be assigned (whether by operation of law, merger, or otherwise) by either Party without the prior written consent of the other Party. The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and permitted assigns of the respective Parties hereto.
- j) This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas, without regard to the conflicts of law rules thereof.
- k) This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. Electronic copies shall be treated as originals.
- I) Except as expressly provided in this Agreement, each of the Parties hereto shall bear its own costs and expenses incurred in connection with the negotiation, execution and delivery of this Agreement.
- m) This Agreement does not confer any rights or remedies upon any person or entity, other than the Parties hereto and their respective successors and permitted assigns.

- n) Whenever the context requires, the gender of all words used in this Agreement includes the masculine, feminine, and neuter. The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement will refer to this Agreement as a whole and not to any particular provision of this Agreement, and all references to Articles and Sections refer to articles and sections of this Agreement, all references to "including" or any variation thereof will be construed as meaning "including without limitation" and all references to Exhibits, Schedules or Appendices are to Exhibits, Schedules or Appendices attached to this Agreement, as amended pursuant to this Agreement from time to time, each of which is made a part of this Agreement for all purposes. All headings and captions contained in this Agreement are inserted for convenience only and shall not be deemed a part of this Agreement. The Annexes are considered a part of this Agreement. The word "extent" in the phrase "to the extent" means the degree to which a subject or other thing extends, and such phrase does not mean simply "if". The sign "\$" when used in this Agreement means the lawful money of the United States of America.
- o) Where any provision in this Agreement refers to action to be taken by any person or entity, or which such person or entity is prohibited from taking, such provision will be applicable whether such action is taken directly or indirectly by such person or entity.
- p) This Agreement constitutes the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, representations and statements, whether oral, written, implied or expressed, relating to such subject matter.
- q) This Agreement is hereby deemed performable entirely in Bexar County, Texas. Mandatory and exclusive venue for any lawsuit or adjudicatory proceeding brought by either party to the contract shall be in Bexar County, Texas.
- r) ACD is solely responsible for compliance with the obligations assumed by or assigned to the Partnership Schools. District shall not be responsible for any penalties levied for ACD's failure to comply with the obligations assumed by or assigned to the Partnership Schools, except to the extent the penalty is due to the action or inaction of a District employee. Subject to the policy limits of ACD's insurance coverage and to the extent the Partnership Schools and the District are not otherwise entitled to claim immunity under Texas law, ACD shall indemnify and/or defend the District if there is any challenge or attempt to involve the District in any complaint, litigation or penalty solely arising out of ACD's obligations under this Agreement. The District may terminate the Agreement should there be a challenge or attempt to involve the District.
- s) ACD will have discretion as to whether it will open and operate additional schools; however, ACD and the Superintendent for the District must mutually agree when and which additional schools will be opened within the District.
- t) This Agreement requires ACD to comply with specific District policies, including but not limited to EL(LOCAL), FD(LOCAL), and FDB(LOCAL). To ensure ACD's ability to comply with such policies, the District will inform each School principal regarding any changes to such policies within 30 days after the SAISD Board approves such changes. The District will also utilize the in-district charter school or Innovation Zone advisory council to inform ACD regarding upcoming policy changes.
