*CCSSE Spring 2015 reported in July 2015

Action Plan: Strategies to Improve CCSSE Results

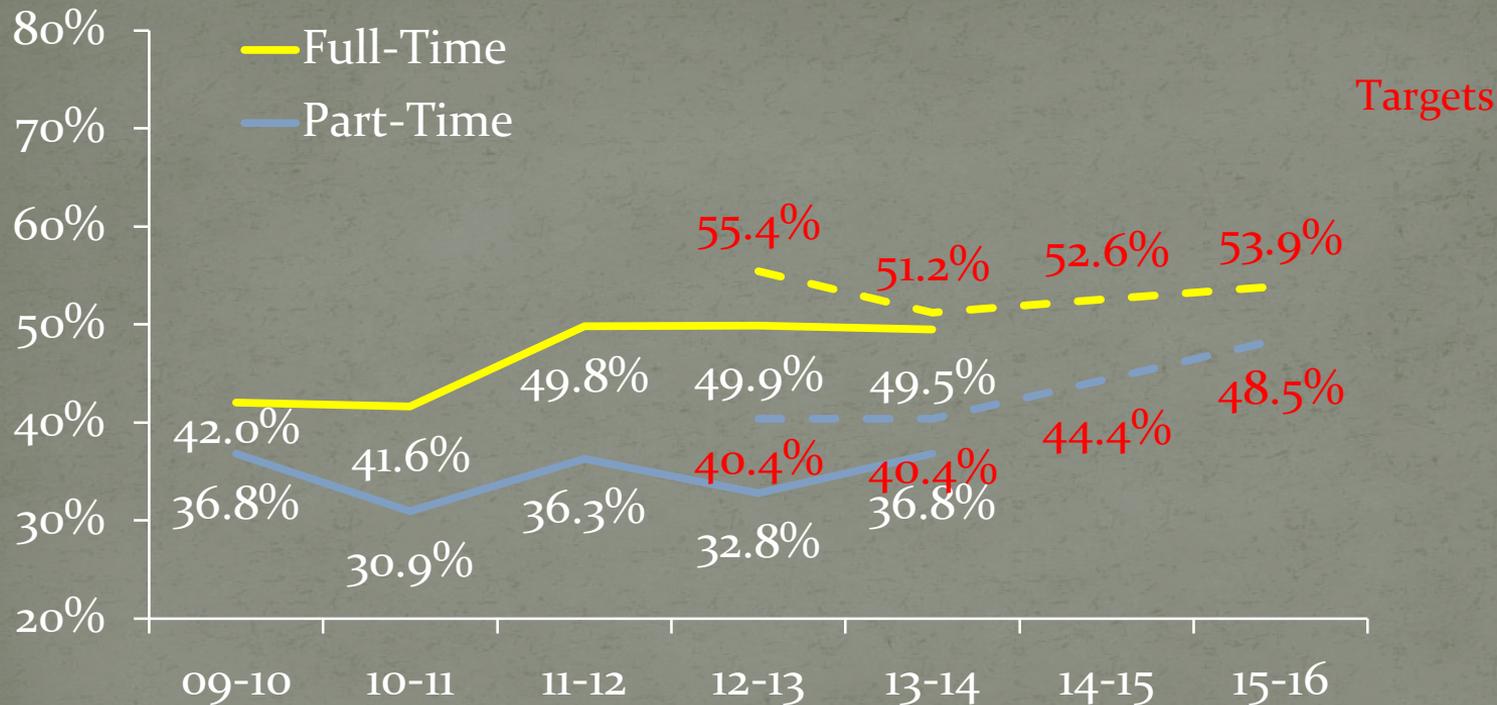

Focus: Active and Collaborative Learning and Student/Faculty Interaction

- Reinforce faculty familiarization with CCSSE terminology, measures and survey items
- Inform faculty how they can better engage students in their own learning
- Share successful student-faculty interactive lessons
- Assist faculty in developing new strategies to support student-faculty interaction using terminology aligned with CCSSE

Lagging Indicators

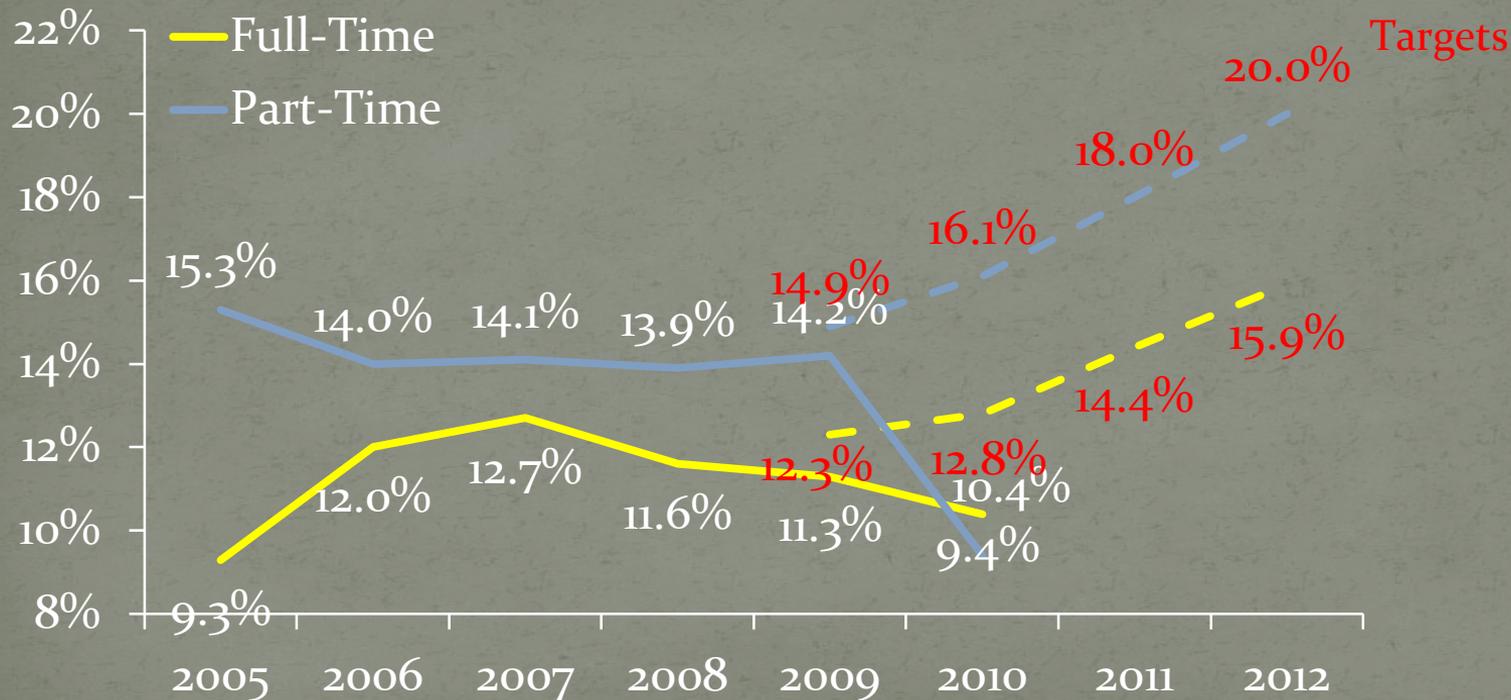

Fall-to-Fall FTIC Persistence Rates*

* The rate at which full-time, FTIC degree-seeking students persist from the fall term of entry (at census date) to the fall term of the following year. Full-time is defined as a student taking 12 or more semester credit hours. Students who earned awards and did not persist during the interval were excluded. Example: One year certificate students are excluded from this data.

Four-Year FTIC Graduation Rates

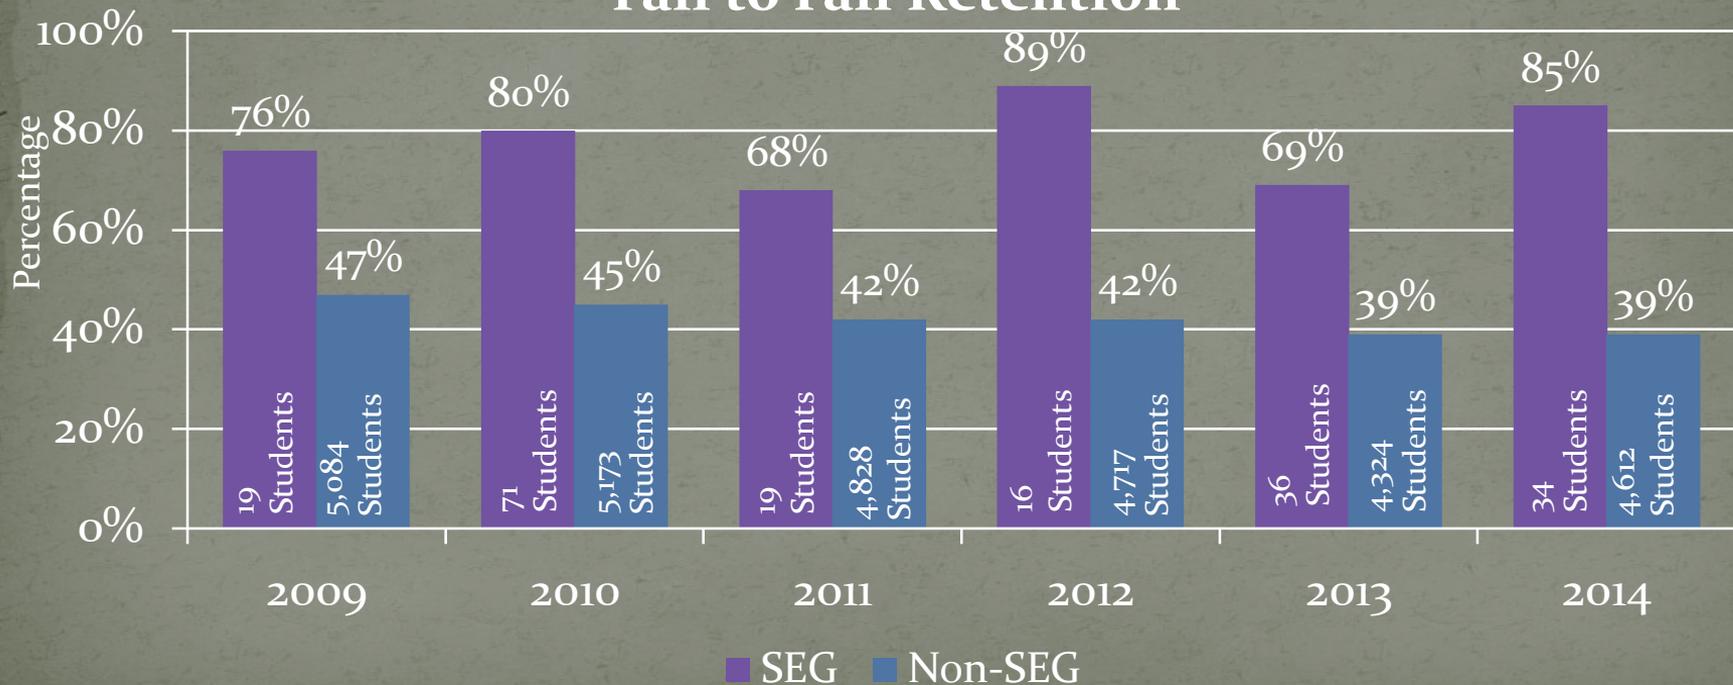

Strategies for Improvement

- Case Management Model Implementation
- Degree audits- Example: completed 839 degree audits based on graduation applications
- Automatic Awards- Example: completed 213 audits resulting in 1 award
- 4DX activities- Example: 350 audits in Advising
- Intrusive Advising
- Offering more Student Engagement Grant opportunities
