At SPC:

- Masks must be worn at all times while in any SPC building.
- Learning spaces have been set up to adhere to Physical Distancing (six feet or more).
- College Services will continue to staff check-in stations. All members and guests of our community must check-in, answer screening questions and have their temperature checked. Check-in stations are located at a designated entrance for buildings supporting F2F learning.
- Everyone is strongly encouraged to follow the guidance from health authorities and practice good hand hygiene, use CDC cleaning protocols, and maintain physical distance from people not in your household.
