

Dear Alumni and Friend:

If you are looking for a great way to stay in touch with St. Philip's College and the community, there is no better way than with a membership into the Alumni and Friends Association.

The Alumni and Friends Association is committed to bring together alumni and friends from all walks of life. We are a rapidly expanding organization and are proud to carry forward the St. Philip's College legacy.

We are dedicated to supporting and celebrating Alumni and Friends throughout their endeavors. In an effort to reach more members, we have expanded our online presence to include groups on Facebook. We are also in the process of enhancing our benefits and services and planning future events.

Membership benefits include networking opportunities and the fun of staying connected with former classmates; the Presidents Newsletter with updates on campus news, special events, fundraising and volunteer efforts; lifetime access to services provided by the Career Center and the Center for Learning Resources (Library); and much more.

The Alumni and Friends Association strives to ensure the continued development of the College by building relationships, maintaining contact and fostering a culture of lifelong alumni involvement and financial support. The Office of Institutional Advancement is committed to keeping alumni informed and connected to the college through activities and events.

Sincerely,

*Sharon Crockett-Ray*
